

Specialist Up-Skilling Programme (SUP) NVQ Level 3 Lightning Protective Systems Inspection and Testing

ATLAS (The Association of Technical Lightning & Access Specialists) is pleased to present the Inspection and Testing NVQ Level 3 SUP.

This course is aimed at up-skilling personnel who have some experience in the lightning protection industry and wish to graduate to a formal qualification of "Lightning Protection Test Engineer". The programme will develop each operative to the NVQ framework and is designed to be delivered in a modular manner through 5-days of formal "off-the-job" training. Following the SUP, they will be supported by an assessor to gain their NVQ Level 3 by completing a Log Book.

[A grant of up to £2,325 is available from CITB for levy-registered employers](#)

The ATLAS SUP costs:

Category	Amount Payable in Three Instalments
ATLAS Members	£1,950 + VAT
